MA Covid Vaccine Appointments

The MA COVID Vaccine Appointments website can help you find a location to make an appointment for the COVID-19 vaccination. This is a user-friendly website created by a private citizen. The site is not affiliated with or endorsed by the Commonwealth of Massachusetts.

Instructions

- Open the web page <https://www.macovidvaccines.com/>
- This brings you to the main website page
- There would be a box that says: Am I eligible to be vaccinated?

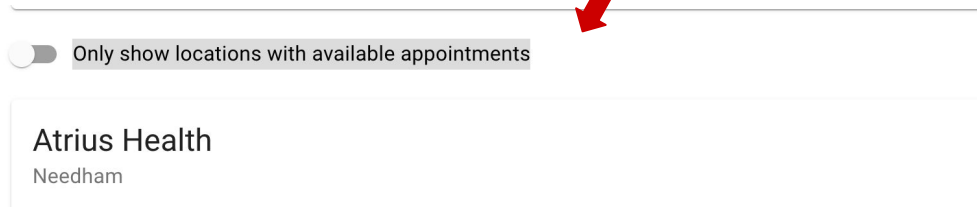

A screenshot of a website interface. At the top, the text 'Am I eligible to be vaccinated?' is displayed. Below this text is a list of five eligibility criteria, each preceded by a checkmark and followed by a blue underlined link. A red arrow points from the top right towards the question text. In the top right corner of the screenshot, there is a small grey upward-pointing arrow icon.

Am I eligible to be vaccinated?

- ✓ [Individuals age 65 and older](#)
- ✓ [Individuals with two or more of certain medical conditions](#)
- ✓ [Residents and staff of low-income and affordable senior housing](#)
- ✓ [Individuals age 75 and older](#)
- ✓ [People in Phase 1 \(Health care, nursing homes, etc.\)](#)

- There are 5 options that will help you figure out if you are eligible to be vaccinated.
- If you click on any of those options it is linked to the mass.gov website that explains what qualify each options

- There is an option that states: **Only show locations with available appointments**
- If the white circle that is on a gray line is swiped to the left then you will see all site location that are giving vaccines.

- If swiped to the right then you have indicated that you only want to show appointments that are available.

No Appointments Found

None of the vaccine sites that we monitor currently have available appointments. This website gathers data every minute from COVID-19 vaccine sites across Massachusetts.

Check back for updated information. For more information on the vaccine rollout in Massachusetts, visit www.mass.gov/covid-19-vaccine.

- If you are able to locate a site that has available appointments it would look like this

SIGN UP

- Then you will automatically get redirected to another MA website that will open in another tab.

Welcome, you are now in line to schedule your vaccine appointment.

Thank you for your patience.

Welcome to the Commonwealth of Massachusetts COVID-19 Vaccination Appointment Scheduling Site

Your estimated wait time is 79 minutes...

We're experiencing a very high volume of people who want to make appointments. The waiting room helps appointment scheduling sites work smoothly for all users. It will ensure you have the best possible online experience.

You're in line to schedule an appointment at multiple locations served by this provider. If your preferred location fills up, you'll be able to search for a different location.

Massachusetts receives a very limited supply of COVID-19 vaccine doses from the federal government each week. Due to high demand and very limited supply, there is only a small number of appointments available.

Use this time to gather your health insurance information, if you have it.

This page will automatically refresh. Please don't close your browser window.

Last updated 9:13:25 AM

Your estimated wait time is 79 minutes...

- This will tell you know how much longer you have to wait.
- In this example the you will have to wait 1 hour and 19 minutes.

- Please keep the window open so you can monitor your estimated time
- At this point you will wait for your estimated time to down to zero and complete schedule your COVID-19 appointment.

Congratulations you have scheduled your COVID-19 vaccination!
