

tech goes home

What is TGH?

Tech Goes Home (TGH) offers courses that cover fundamental digital skills to ensure that all children and adults are equipped with the tools, training, and access to support 21st century skill development. Courses provide opportunities for all participants to connect to schools, community programs, government agencies, and each other. The TGH program offers its graduates the ability to improve their quality of life as new members of the online community.

\$50 Chromebook for TGH Grads!

After completing 15 hours of the TGH curriculum, graduates have the option of purchasing a new Chromebook for \$50 and may receive assistance in signing up for low-cost internet.

What is a Chromebook?

Chromebooks are laptops designed to help you get things done faster and easier. They run Chrome OS, an operating system that has cloud storage, the best of Google built-in, and multiple layers of security.
